More Than 20 Years in the Roofing Industry

Titan Roofing & Construction is your local source for high-quality certified roofing, chimney, gutter, and siding services! At competitive pricing, our licensed, bonded, and insured team can provide the installation, repairs, or maintenance you need using all current materials.

With 20+ years in the roofing industry, our services are backed by a 10-year labor warranty and a lifetime warranty on materials. All services are completed in a timely manner and estimates are provided within 24 hours. Contact us (https://titanroof.co/contact/) today for a **FREE estimate**

Roof Inspections

As your local roofing experts, trust us to provide a thorough inspection of your roof to prevent costly repairs down the road.
